# First Time Contribution Space

Projector display

Lectern

**Room Requirements:**
1. Projector
2. Speaker / mic
3. Lectern for laptop
4. Water
5. Ideally sound isolation from other spaces
6. Min seating: 80

**Bonus:**
Power strips!

**Facing front**

**Table layout:** Round tables, square tables, even just stadium seating is fine for this space, but bear in mind if there is seating for 100 with tables, people need to be turned around to face the front

# Mentored Contribution Space

Projector display

Table

**Room Requirements:**
1. Projector
2. Speaker / mic
3. Table
4. Power strips at each table
5. Min seating: 120

**Table layout:** Round or square tables, we want people seated in groups working together. Enough space on each table for at least 5
